DETAILED ACTION

Response to Amendment

The amendment filed on February 16, 2007 is sufficient to overcome the prior art reference and place the application in condition for allowance.

Terminal Disclaimer

The terminal disclaimer filed on February 16, 2006 disclaiming the terminal portion of any patent granted on this application, which would extend beyond the expiration date of U.S. Patent No. 7,108,028 has been reviewed and is accepted. The terminal disclaimer has been recorded.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Attorney of Record, Joseph Key on Monday April 16, 2007.

The application has been amended as follows:

- Clm. 1, line 9 following, connector, deleted, "connectable" replaced with -located—
- Clm. 1, line 12 following rigid section, deleted "can be" replaced with -is—

Art Unit: 3725

-Cl. 17, line 15 following rigid section, deleted "can be" replaced with -is—

Allowable Subject Matter

Claims 1-6, 8 10, 12 and 14-17 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art of record does not disclose or fairly suggest a debris collection container for a planer comprising a receptacle defining first and second rigid sections, a lip and a deformable section, and a connector connectable between the planer and the receptacle *wherein the lip is between the front portion and the rear portion* in combination with the rest of the claimed limitations as set forth in claims 1 and 17.

Neither the prior art of record nor any combination thereof discloses the claimed invention as set forth in claims 1 and 17. Therefore claims 1-6, 8 10, 12 and 14-17 are deemed allowable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Response to Arguments

Applicant's arguments, filed February 16, 2007 have been fully considered and are persuasive.
